Why Iradell?

LOCAL

Hand-poured in Fort Worth. See—and smell—samples in person and work directly with the maker.

LOW ORDER MINIMUMS

Many custom candle companies require much higher minimums. Our standard candle offering starts at 12 candles; custom orders start at 24.

PERSONALITY

Choose from Iradell's signature label style—clean, understated, and a little witty—or bring your own branding. Either way, your candles are designed to feel thoughtful and gift-worthy—not like a logo slapped on something.

CHOOSE YOUR CANDLE:

STANDARD OR CUSTOM

STANDARD

5 OZ — \$20

CUSTOM

A custom look, created for your brand or occasion.

YOUR DESIGN — SAME VESSEL, SAME BOX

PRICE PER CANDLE

12 OZ — \$38

5 OZ — \$27

Add your name, logo, or other details to the candle label and the kraft box. The white ceramic vessel and the kraft box stay the same—only the printing on them changes. We'll send a proof before anything goes to print. Simple logos and text work best; highly detailed or photographic artwork may not be possible.

MINIMUM 24 CANDLES PER SIZE, PER SCENT.

CUSTOM DESIGN SETUP

Custom design setup: \$100 for one candle size or \$150 for both. Once a size has been set up, reorders of the same design in that size have no setup fee.

Prices shown do not include 8.25% sales tax.

SCENT OPTIONS

Nine year-round scents—woody, fresh, citrus, floral, leather, and more—plus seasonal picks in fall and winter. Explore the full lineup at iradelldesigns.com/candles.

SCENT SAMPLE KIT

Not sure which scent fits? A sample kit of all nine signature scents is available for \$15, including shipping. Order one by emailing hello@iradelldesigns.com. The \$15 sample-kit fee will be deducted from the total of your first candle order.
